### **USB Thumb Drive**

Students will require one USB Thumb Drive (minimum 8GB). Additional Thumb Drives may be required as the year progresses or as instructed by Subject Teachers.

### **For all Workshop and Kitchen subjects**

**Fully enclosed leather shoes must be worn.** Students are not permitted entry into these areas unless they are worn.

### **For Students Studying Health & Physical Education and Recreation**

Students require the following compulsory items:

- More than one sports uniform
- College cap/bucket hat
- Water bottle
- Sunscreen
- Swimwear (see below for details)
- Sports shoes (see below for details)

### **Swimwear Requirements**

- Sun/rash shirts are encouraged; t-shirts are discouraged as they create drag in the water

#### **Female students**

- One-piece togs, skins or sports style two-piece togs (i.e. crop top or sports style top)
- Short leg board shorts are permitted over togs
- No string bikinis are permitted in Physical Education lessons

### **Footwear Requirements**

**For every practical lesson, students must wear sports shoes** that can lace up securely, provide sole support and cushioning for high impact classes. Workplace Health & Safety guidelines DO NOT allow students to participate in practical lessons if they are wearing unlaced/loosely-laced skateboarding style shoes with flat soles that lack grip.

### **Notes**

- Students should ensure they use a separate Exercise book for each subject.
- Students may choose to use A4 ring binders to organise the Exercise books for their subjects and, if so, Exercise books should be purchased with ring binder holes. *The use of A4 and A5 subject notebooks has been found to be problematic and students are discouraged from purchasing them.*

**Additional requirements for specific subjects are listed under each year level.**
